Our College organized Cleanliness Drive under Swachh Bharat Abhiyaan Programme on the occasion of Gandhi Jayanti. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits.

Under this programme, all the students and teaching staffs had to participate. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole college campus.

Our Principal started the programme by cleaning the corners of the play ground. Then the teachers and students followed suit. Some of us picked brooms and started our job.

And others went to the play ground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for one hour, we all assembled in the college garden and done Tree plantation

Thereafter our Principal delivered the speech telling us the importance of sanitation. In the end we all took oath of keeping our home, locality and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive that could have transformed the face of our country for ever.
